

digiFLEX LP

FLEXIBLE INDOOR & OUTDOOR LED SCREEN SYSTEM

FLEXIBLE INDOOR & OUTDOOR LED SCREEN SYSTEM

Flexible Screen System in Tile-Only Format or Mounted onto Pre-Formed Steel Cabinets

digiFLEX LP has a plastic and resin-based construction with flexible rib sections. This allows it to curve in one axis or plane for impressive convex and concave curving.

A single tile can form a 45deg concave or convex arc. The minimum concave or convex diameter is 620mm.

Besides being in a purely modular form, digiFLEX LP can also be supplied in bespoke pre-formed steel cabinets to a given radius.

Quick Assembly

digiFLEX LP can easily attach to any fixing that has magnetic properties using its magnetic feet, making your installations simple, easy and efficient.

Cable-Free Appearance

digiFLEX LP has a sleek and clutter-free look, with all tile to tile connections made on the rear.

Magnetic Tile Feet

Magnetic feet attach to any mild steel chassis or pre-formed magnetic surface. Super strong magnets are used for reliable fixing.

FEATURES

* Some stainless steel does not have good magnetic properties

LED TILE DIMENSIONS

digiFLEX INDOOR MODELS:

LP1250	(W x H x D)mm: 300 x 169 x 9.5
LP1560, LP1875	(W x H x D)mm: 300 x 169 x 6.5
LP2500	(W x H x D)mm: 240 x 150 x 6.5/6.6
LP3810	(W x H x D)mm: 304.8 x 152.4 x 6.8
LP4760	(W x H x D)mm: 304.8 x 152.4 x 6.8

digiFLEX OUTDOOR MODELS:

LP3175o	(W x H x D)mm: 304.8 x 152.4 x 12.4
LP4760o	(W x H x D)mm: 304.8 x 152.4 x 12.4
LP6350o	(W x H x D)mm: 304.8 x 152.4 x 12.7
LP9525o	(W x H x D)mm: 304.8 x 152.4 x 12.8

APPLICATION EXAMPLES

Our Ethos

Our goal is to do business with suppliers and customers whose company we enjoy and whose principles and values we respect.

We endeavour to be politely firm in our beliefs and steadfastly uphold our standards by doing the job correctly to produce quality products, supplied with loving care, to customers who cherish our systems and the enthusiastic, friendly expertise we strive to provide.

We love our work and are proud of our experience and our expertise. We want to do business with people who see the benefits of what we do and appreciate our input.

digiLEDers are keen to offer advice and an insight into our specialist knowledge without demanding a commercial return, if we can't convince customers of our value, we don't deserve their patronage.

Our Products

Huge, bright, vibrant, bespoke digiLED screens are designed using top quality components, by seasoned LED experts, then crafted and assembled in selected specialist factories.

Assembly, production and testing is monitored by the industry's leading QC team, using a proven 228-step manufacturing quality control process, paying meticulous attention to fine detail.

The resulting digiLED screens exhibit superior images, providing reliable performance throughout the 5-year warranty period and beyond. Supported locally to you by experienced, qualified, field and bench engineers.

digiLED quality just lasts.
